Targeting mid-senior-level assignments in Profit Centric Operations with an organization of repute
Technical Product Support | Service Engineer |

Dear Sir/ Madam,

I am submitting herewith my resume for your perusal consideration for the post of Technical Product Support and Service Engineer in your organization.

A systematic, organized, hardworking and dedicated team player with an analytical bent of mind with good academic credentials. I have experience of 6 years across in Repairing, Commissioning, Calibration, Customer Support, Technical Survey and Training and Solution Design of Electronics Security and Automation Systems like FDA Systems, Gas detection System, Intrusion detection System, IoT based Alarm Systems in mainly Industrial Sectors like Oil and Gas, Cement, Power- Grids, as a focused determined and confident Engineer. I can be relied upon to deliver challenging targets whilst ensuring the team I am responsible for reaches its full potential. Currently I am spearheading Product Support and Service Engineer with Vighnaharta Technologies Pvt Ltd (Formerly Known as Realty Automation & Security Systems).

I am well versed in Repairing, Commissioning, Calibration | Operation, Maintenance | Product Management | Presale & Post Sale Support | Installation, Testing | Training | Solution Design | Electronics Security and Automation | Project Planning & Execution | BOQ Optimization | Safety Management | ISO Documentation | CRM and ERP Data management | Reliability Improvements | Continuous Process Improvement | Quality Assurance/Quality Control. There is more depth on my experience and skills in my resume which I would appreciate you looking over.

I am a dedicated and focused individual, determined to add value to the organization I work for, through my exceptional knowledge and learning ability. I possess well developed communication skills with reputation of unwavering accuracy, credibility and integrity.

At this stage I find myself to be groomed enough to look outward and explore the possibility of placement at a suitable professional position with higher responsibilities. A tour through my enclosed resume shall familiarize you with the details and I am confident, in my credentials, you would find a perfect fit for the said job. Thanks in advance for sparing your time.

The above credentials along with my enclosed resume make me ideally suitable for a position in your organization. I would appreciate an opportunity for a personal interview.

Thanking you.

Yours Sincerely

Vaibhav Bhakare
